Footnote 1 - LakeWood Clinic used data from July 1, 2018 to April 30, 2019 to provided gross charge amounts and estimated allowed amounts.

Footnote 2 - LakeWood Clinic increases prices annually July 1st. An average increase of 3.0% was applied.

Footnote 3 - The above amounts are LakeWood Clinic's good faith effort to comply with Minnesota Statute 62J.812. This statute requires each provider to maintain a list of the services over \$25.00 that correspond with the provider's 25 most frequently billed current procedural terminology (CPT) codes. This list shall include the providers ten (10) most commonly billed evaluation and management codes, and the ten (10) most frequently billed CPT codes for preventative services.

Footnote 4 - LakeWood Clinics final charge and allowable amount may deviate from the above illustration. We have put for a good faith effort to provide the required disclosure. The disclosure above is not a final charge or allowed amount as historical data was used to develop the above financial figures.

Footnote 5 - If an item is denoted above as "N/A", which stands for not available, there was not enough recent claim activity that was fully adjudicated (paid) to provide a reasonable estimate of the allowed amounts.

Footnote 6 - If you have questions please request help from CeCe Johnson or call 218-634-5501.
